 March 15, 2010  
 Greystone Country Club \* Denham Springs, LA

**Brave Heart- Children in Need, Inc.** is a non-profit organization which was founded in July, 2004. We are focused on the cause of improving the quality of life for children who are experiencing the emotional trauma of being removed from their homes due to abuse and/or neglect. We have in place several programs which offer hope, encouragement, and comfort to children.

Brave Heart works throughout the state of Louisiana to assist children that are put into protective care of the state. Brave Heart began by helping one social worker and has grown to serve several thousand children throughout the state. We are able to work with the Office of Community Service to offer our services. In 2008 Brave Heart served about 4800 children through OCS in the 37 parishes of

Baton Rouge, Covington, Thibodaux, Lafayette and Monroe regions of the State. Our goal is to serve all nine regions!

The children that are removed from their homes and enter the protective care of the state often have more obstacles and challenges to face in order to grow into healthy and productive adults. These children
